Your gift to Union College has enhanced the education of students like Shanice Wilson ’15, a computer science major and Spanish minor. A leader in the Union Community, Shanice is president of Big Brothers Big Sisters, a member of Delta Delta Delta sorority, Concert Club, and Spanish Club. Research Shanice performed in the physics department is currently being published. “I will be co-author of a scientific paper. These programs and opportunities would not have been available to me if I were not at Union College.”
