The Union College Alumni Club of Washington DC supports the Race For Hope DC as their annual philanthropic event. It is a fun and inspiring way to join forces in the fight against brain tumors by raising funds for research, and is one of the largest fundraisers in the country benefiting the brain tumor community. All proceeds support the National Brain Tumor Society and the Accelerate Brain Cancer Cure organizations.

We invite you to join the 5K run/walk, along with 11,000 others, on Sunday May 1, 2016 from 8:30-11:00 am at Freedom Plaza, DC. Cliff Mastrangelo ’63 has a team, Friends and Fitness, to support fundraising for Race for Hope DC. We would like to invite you to join him and his family/friends in memory of his son Christopher Mastrangelo ’89 who succumbed to a Grade IV glioblastoma in 2007.

Click here to join Union Alumni on Cliff Mastrangelo team, then click Register ($40 fee for run/walk; $45 to be timed). If you are unable to attend this event, please consider giving to this worthy cause by clicking on the Donate link.

BRAIN TUMORS CANNOT BE PREVENTED BECAUSE THEIR CAUSES ARE UNKNOWN.

We look forward to seeing you on May1st!
